

## Research Grants

- Co-Investigator, Advanced Technology in Support of Hybrid Projectiles, FY 2010 Defense Appropriation Request, \$2.4 million, Current. [1/1/2010 - 7/1/2012]
- Co-Investigator, Hybrid Projectile Vision System, Imperial Machine and Tool Company, \$30,000; April 2010 - July 2010.
- Co-Investigator, Development of a travel grant, U.S. Army Armanent, Research, Development & Engineering Center (ARDEC), \$5,000, Funded. [1/2010]
- Co-Investigator, Hybrid Projectile Design," U.S. Army Armament, Research, Development & Engineering Center (ARDEC), \$57,688, Funded. [8/1/2008 - 5/31/2009]
- Principal Investigator, "Implementation and Performance Evaluation of Overlay End System Multicast (ESM) for stable and Fast Streaming of Multimedia Applications," University of Bridgeport Seed Money Grants, \$10,000, Fall 2009, approved for funding.
- Prinicpal Investigator, "Wireless LAN Laboratory," NSF, June 1, 2004, through May 31, 2005; \$100,000 plus \$100,000 in University of Bridgeport matching funds, Pending.
- Prinicpal Investigator, "Electronic Assesment of Undergraduate Porgrams (E-Assesment)" NSF, June 1, 2004, through May 31, 2006; \$520,000, Pending.
- Co-PI, "Refining and Improving Science and Mathematics Understanding through Partnerships (Ris'm Up)", NSF, July 1, 2004 through June 30, 2009, \$7,000,000, Pending.
- Prinicpal Investigator, "Mobile Content Mnanger," United Nations Development Program (UNDP), Transfer of Knowledge through Expatriate Nationals (TOTKEN) Fund, \$3,500, June 2001, Funded.
- Co-Investigator, "Developing an Intelligence Web Based Expert System for Anemia Diagnosis and Categorization," Joint Science and Technology Fund, U.S. Egypt Joint Board on Scientific and Technological Cooperation, \$50,000, October 2001, Senior Investigator, Pending.
- Co-Investigator, "Security Implementation and Evaluation of Armco Enterprise Network," Saudi Armco, SR 200,000, May 1999- May 2000, Funded.
- Principle Investigator, "*A Formal Methodology for Parallel VLSI Algorithm Design*," Jan. 1993- Dec. 1995. King Abdul Aziz City of Science and Technology (KACST), SR 293,000, Funded.

## Honors

“Distinguished Professor of the Year”, University of Bridgeport, academic year 2006-2007.

Nominated for University of Bridgeport Distinguished Professor for academic year 2005 – 2006. Prof. Elleithy was one of two finalists.

Nominated for University of Bridgeport Distinguished Professor for academic year 2004 – 2005. Prof. Elleithy was one of two finalists.

Nominated for King Fahd University of Petroleum and Minerals for Best Teacher Award.

“Distinguished” Annual evaluation by KFUPM for 10 years in research, teaching and community services.

Honored at the “Academic Honors Day” of the University of South Western Louisiana for superior scholastic achievement, April 1988.

*Date* Apr. 85  
*Awarder* Air Defense College, Alexandria, Egypt.  
*Award* Certificate of merit  
*Reason* Work in the college since Jan. 84

*Date* June 83  
*Awarder* Egyptian Engineering Syndicate  
*Award* Badge of honor and Decoration  
*Reason* Graduation with the highest grade “Distinction with Degree of Honor”

*Date* Apr. 82  
*Awarder* Alexandria University, Egypt  
*Award* Badge of honor and Decoration  
*Reason* Model student of Alexandria University for academic year 81/82

*Period* Oct. 78 - June 83  
*Awarder* Alexandria University, Egypt  
*Scholarship* L.E. 120/year (Highest Scholarship in the university)  
*Reason* “Distinction” grade during all academic years

*Date* June 1978  
*Awarder* Alexandria Governor, Egypt  
*Award* Badge of honor and Decoration  
*Reason* Scoring 96.25% in National High School Exam and nationally ranked fourth
