## TRANSFER STUDENTS, UBELONG HERE.

Why is the University of Bridgeport one of the fastest-growing universities in New England? Thriving academic programs, generous scholarship opportunities, exceptional faculty and comprehensive campus improvements are just some of the reasons.

More and more students are choosing UB because they know it offers a quality educational experience, that it is vibrant and growing, and that it will prepare them for the professional challenges of a world driven by information and globalization.

UB offers more than 125 undergraduate, graduate and doctoral programs. Students appreciate the small class size, which allows professors to get to know them and provides the personal attention that fosters a rich learning experience. UB is enriched by diversity with students from more than 80 countries. There is no better place to prepare for success in today's global marketplace. What's more, UB has a strong internship program to prepare its students for the real-world challenges of the workplace.

## HOW TO APPLY

## INTERNSHIPS AND CO-OPS

Students rely on our 15:1 faculty to student ratio and our competent, committed, caring faculty members to help guide them through the education process.

Part of UB's educational approach of "opening doors, building futures" is to encourage workplace opportunities that enhance your academic program.

Experience shows that the best jobs go to the graduates who can bring both a degree and practical experience to the workplace. How do you do that? The University of Bridgeport provides you with the opportunity to combine your academic program with co-operative education placement, an internship or hands-on clinical experience.

## CREDIT EVALUATIONS

The University of Bridgeport applies up to 66 credits from 2-year institutions – up to 90 credits from 4-year institutions, saving you time and money. Send us your transcripts and we will give you a preliminary evaluation even before you apply.

## ADDITIONAL INFORMATION

An applicant must have earned at least a "C" average (2.0 GPA) for all work attempted and be in good academic standing at the previously attended institution to be considered for regular admission.

Dental Hygiene, Biology, all Business majors and Computer Science and Engineering require a minimum 2.5 GPA. The status of any applicant admitted before all final, official transcripts are received will be reevaluated upon receipt of the final transcript.

Transfer applicants are urged to apply well in advance of the opening date of the term in which they plan to enter. This will enable the student to receive a timely evaluation of their transfer credits and appropriate academic advisement and program planning.

Students are required to complete their last thirty semester hours at the University of Bridgeport and meet course requirements as described in each program to be eligible for a degree.
